Dear Ministry Partners,

I write to you today to thank you for your ongoing and generous partnership in the Shepherd of the Streets ministry and to ask for your continuing financial and material support. I often receive the thanks of our clients for "all that we do" and so this is one opportunity that I have to thank you for all that you do to support our ministry. Frankly, we could not do "all that we do" without each and every one of you. Thank you for your faithfulness!

Every donation that we receive makes an impact upon someone's life. A struggling family of four receives a package, which contains diapers and a supply of personal care items for the household. A retired person, living within the budget of their social security, receives an eye exam and glasses. A woman needing to travel to Pittsburgh for medical treatment receives enough money for fuel to travel there and back. People of all ages receive the prescriptions that they need because the Shepherd is able to help offset the cost. Real people with real needs receive real help at their point of need. Numerous lives are being touched as a variety of needs are met because of the generosity of many individuals and churches.

Thank you for your generosity toward the ministry of the Shepherd and thank you for your prayerful consideration of this request for your financial support. Please know that we endeavor to faithfully steward all of the resources, which you provide. Our goal is always to help as many as we can with the resources we have available. The Shepherd of the Streets ministry simply could not and would not exist without generous donations from churches and individuals with a heart for the least, the last and the lost of Lycoming county.

In Christian Love,

*Pastor Mark*
